# ABOUT THE WAITING

*FOR OVER 10 YEARS THE WAITING HAS BEEN CELEBRATING THE MUSICAL LEGACY AND SONGWRITING GENIUS OF TOM PETTY...BRINGING YOU THE SOUNDTRACK OF YOUR LIFE.*

The Waiting is a roadhouse rock & roll band from Bozeman, Montana celebrating the music of Tom Petty. Not exactly a “cover” or “tribute” band, The Waiting is – in the true spirit of The Heartbreakers – first and foremost a BAND: a motley mix of musicians and friends interpreting the songs of one of rock’s greatest legends.

Since 2013, the band has been “Bringing the Petty” to venues and festivals across the Great Northwest and beyond, thrilling die hard Petty fans and new converts alike. Whether it’s one of Tom Petty’s smash hits with The Heartbreakers, a sampling from his solo albums, or a collaboration with the Travelling Wilbury’s, The Waiting plays the music that everybody knows and everybody loves, a combination of fiery live energy, fantastic musicianship, and a single-minded devotion to showing every person in the crowd a damn good time.
